

The BAS National Show will once again be hosting the hugely popular Fibre Zone to showcase the diversity of our wonderful alpaca fleece.

All items must be crafted with at least 75% alpaca except our yarn classes which must be 100% alpaca.

All classes open to fully paid up members of the British Alpaca Society.

Entries from our international members are welcome but they must be brought to the show and taken away afterwards. No international postal service is available due to import and export fees.
