Our camelid team provide a high level of service to our alpaca and llama patients due to our extensive experience and interest in these species.

We are happy to consult on second opinion cases and we run courses for owners and vets or those involved with looking after alpacas and llamas.

We are able to advise on and provide excellent 24 hour care in all our service areas.

- Health planning and preventative care
- Sick camelids and emergency care
- Plasma collection and administration
- Reproductive diagnostics
- TB testing & advice
- Export and veterinary certification

National Show 2025

Welcome

On behalf of the National Show Committee, a very warm welcome to the British Alpaca Society National Show 2025 – The British Alpaca Society's flagship alpaca event of the year. We are delighted to welcome over 510 alpacas from 69 exhibitors distributed throughout the UK.

We thank our judges, Molly Gardner (Halter), Peter Kennedy-Gane (Halter), Roger Clarke (Fleece), and Val Fullerlove (Fibre Zone), in anticipation of an exciting event, which will be shown live on the big screen in the hall and on YouTube.

The Champion of Champions fleece show was judged in February with the fleeces on display at the show. We would like to thank all the breeders who have supported this event. This year the Fleece Show is located alongside the Fibre Zone, on the balcony, and all prize-winning fleeces are on display throughout the show. Huge thanks go to the Julia Corrigan-Stuart for organising and hosting the Fleece Show and for displaying the winning fleeces.

Once again, the Fibre Zone will showcase the versatility of alpaca and how the demand for raw and value-added product made from the luxurious alpaca fleece can be met. The Fibre Zone competitions include fashion and homeware classes, which together with the yarn, toy, and fabric sections, will be judged by Val Fullerlove.

The World of Alpacas, in the Annex, is designed to give an immersive and interactive alpaca experience as well as being educational. A good place to go for people who are not BAS members especially if they have their children with them.

The Halter Show is the centre piece for the event, and we hope you enjoy exhibiting and watching at our new Staffordshire venue. The two rings will operate in tandem for most of the show. Molly and Peter will be working hard for the whole weekend, and we thank them in advance for their efforts.

The National Show exists because of the support it receives from you all; the volunteers who give up a tremendous amount of time to ensure the show is a success, the sponsors, including those who donate and purchase stud services, and of course the exhibitors, without whom a show of this calibre would be impossible. The wide variety of trade and craft stands whom we rely on so much to complete the alpaca experience and the local, national, and international visitors - we thank you all.

We hope you enjoy a weekend of non-stop alpaca at its absolute best!
